

“Still Walking – By Bill Moss”

Some people think they are inspirational, some people really are!

MEDIA RELEASE: November 23rd, 2011

Paul Keating will be launching this wonderful publication on 1 December. The Australian newspaper is running a 2,500-word extract next weekend. Already 5,000 books have already been sold via pre-orders!

These memoirs are the inspirational, moving, blunt and at times very funny account of how a senior and seemingly all-powerful Macquarie banker struggled for years through physical discomfort, pain and the many barriers thrown in the path of people with physical disabilities, not just to rise to the international heights of a notoriously difficult profession but also gradually to face and come courageously to terms with his disability.

All profits from this book go to the FSHD Global Research Foundation and Fighting Chance Australia.
