NDIS | Revolutionising disability services

Disability Speaks is run by the Intellectual Disability Association of South Australia (IDASA) and will distribute on behalf of any organization that meets suitable criteria online information that is of wide disability community interest via our database that now numbers nearly 4,000 recipients for Government, advocacy groups and other major disability organizations. We aim in the lead up to elections, state or federal, we can distribute policy and support information from political groups. Such distribution is not in any way endorsement by Disability Speaks. From time to time Disability Speaks will also distribute media releases commenting on developments in the disability sector. We strongly encourage you to forward all releases to your

friends, clients and disability supporters and encourage them to subscribe direct. To do so simply send an email with the subject "subscribe" to the address below, to unsubscribe please use "unsubscribe" in the subject line instead.
